NPO法人日本UAE青少年児童育成交流協力会

Introduction of the Educational Program for Emirati Children at the Japanese School in Abu Dhabi

In response to a willingness expressed in 2004 by H.H. Sheikh Mohamed bin Zayed Al Nahyan, Crown Prince of Abu Dhabi, the Board of Directors for the Japanese School in Abu Dhabi commenced in 2006 a program allowing enrollment of Emirati children into the Japanese School in Abu Dhabi.

The UAE-JAPAN Association for Youth Development and Exchange (Non-Profit Organization registered in Japan) was established in April 2007, for providing practical support to the Education Program for Emirati Children in the Japanese School in Abu Dhabi.

The founding members are Japanese companies that have business bases in Abu Dhabi.

We are assisting the Educational Program for Emirati Children at the Japanese School in Abu Dhabi together with the Board of Directors for the Japanese School, the Japanese School and the Japanese Kindergarten in Abu Dhabi.

The Education Program is supported by the Japanese Government (Ministry of Economy, Trade and Industry) and the Abu Dhabi Department of Education and Knowledge (ADEK).

アブダビのムハンマド皇太子殿下が2004年に表明された要請に日本政府が応える形で、アブダビ日本人学校にUAE国民子弟を受け入れるプログラムが2006年に開始されました。

アブダビ日本人学校におけるUAE国民子弟の教育プログラムへの支援を行なうことを目的として、2007年4月にNPO法人日本UAE青少年児童育成交流協会が設立されました。

創立メンバーはアブダビに事業拠点を持つ主な日本企業です。

私たちは、アブダビの日本人学校運営理事会、日本人学校および日本人学校幼稚園と共に、アブダビ日本人学校と幼稚園におけるUAE国民子弟の教育プログラムを支援しています。

また、この教育プログラムは、日本国政府(経済産業省)ならびにアブダビ教育知識庁よりご指導およびご支援をいただいています。

A Bridge between
the UAE and JAPAN

幼稚園

The Japanese Kindergarten in Abu Dhabi

There are 12 Emirati children in the KG1-3 classes.

We dispatch teachers from Japan to care for the kindergarten children.

Emirati children study not only the Japanese language but also Japanese culture and customs with Japanese children.

Emirati children attend their special classes before and after their regular classes in order to acquire basic Japanese language skills, which leads to greater communication with Japanese children and greater eagerness to participate in kindergarten.

アブダビ日本人学校幼稚園(教員派遣事業)

日本人園児に加え、年少から年長まで合計12名のUAE国民園児が在籍しています。

私達は日本からアブダビ日本人学校幼稚園へ教員を派遣しています。

UAE国民園児は日本語だけでなく日本の文化や習慣も日本人園児と一緒に学びます。

UAE国民園児に基本的な日本語能力を身につけさせるため、通常の活動時間の前後に日本語補習クラスを設けています。

小・中学校

The Japanese School in Abu Dhabi

There are more than 20 Emirati pupils in grades 1 through 9.

Emirati pupils study the Japanese curriculum with Japanese pupils.

We dispatch teachers from Japan to assist and appropriately guide Emirati pupils.

Depending on the subject, Emirati pupils are taken aside for separate instruction.

Emirati pupils are given a supplementary lecture every day.

While language difficulties exist, Emirati pupils involve themselves with Japanese pupils and spend their time for enjoyable school lives.

アブダビ日本人学校(教員派遣事業)

日本人児童生徒に加え、小1から中3まで20名以上のUAE国民児童生徒が在籍しています。

UAE国民児童生徒は日本人児童生徒と同じ教室で日本の教育カリキュラムを学びます。

私達はUAE国民児童生徒を支援するため日本から教員を派遣しています。

教科によっては通常の授業とは別に派遣教員がUAE国民児童生徒に対して集中的に教えます。

UAE国民児童生徒に対して派遣教員による補習授業の時間を設けています。

UAE国民児童生徒にとって母国語以外で学ぶという難しさはありますが、日本人児童生徒とともに楽しく学校生活を送っています。

日本招聘

Japan Study Tour

Objectives of the Program

- To learn about the Japanese educational system by visiting Japanese local schools.
- To experience Japanese lifestyles and culture.

The program provides Emirati pupils and their parents with an opportunity to think about their future courses.

The Program is supported by the Japanese Government (Ministry of Economy, Trade and Industry).

We assist Emirati pupils and parents in implementing the program.

日本への短期招聘事業

このプログラムの目的は、日本にある学校を訪問して日本の学校教育についての知識を深めるとともに、日本の生活や文化を体験することにあります。

このプログラムは、UAE国民児童とその保護者が将来の進路を検討する良い機会となっています。

このプログラムは日本政府(経済産業省)によって支援されています。

私達はプログラムを実施するにあたって、UAE国民児童とその保護者をサポートしています。

高校進学

Emirati pupils are studying at high schools in Japan

Emirati graduates from the Japanese School in Abu Dhabi continue their Japanese education at Senior High School in Japan.

Emirati pupils are provided with appropriate school living environments.

Their dormitory is within reasonable distance of the school and the Embassy of the United Arab Emirates in Japan.

ADEK provides the scholarships for Emirati students.

Emirati pupils in Japan are mainly supported by the Embassy of the United Arab Emirates in Japan.

日本への留学支援事業

アブダビ日本人学校を卒業したUAE国民子弟は、日本にある高校へ進学しています。

日本ではイスラム教徒であることを考慮した適切な生活環境が提供され、彼らが生活する寮は、高校や在日UAE大使館から交通の便がよい場所にあります。

アブダビ教育知識庁がUAE国民子弟の日本留学を支援し、日本に滞在する間は主に在日UAE大使館が彼らをサポートしています。

Our Commitment to Support the Education program

Regular members

Japan Oil Development Co., Ltd. (JODCO) has been engaged in oil field development and production both offshore and onshore in Abu Dhabi since 1973. Today, INPEX/JODCO is involved in concerted efforts to further enhance the production capacity of Abu Dhabi's oil fields, particularly at the Lower Zakum Oil Field where it leads production and development activities as Asset Leader. Meanwhile, the company is also involved in a variety of local stakeholder engagement programs in Abu Dhabi mainly in the areas of education and cultural exchange.

INPEX CORPORATION (INPEX) is Japan's largest oil & gas exploration and production (E&P) company, and a mid-tier E&P player just behind the world's oil majors. INPEX is currently involved in approximately 70 projects across more than 20 countries, including onshore and offshore oil field development and production operations in Abu Dhabi in the United Arab Emirates. Through sustainably growing its oil and gas development business, INPEX aims to become a leading energy company and continue providing a stable and efficient supply of energy to its customers.

Abu Dhabi Oil Co., Ltd. (Japan) was established in 1968 by the current Cosmo Energy Holdings Co., Ltd. and JX Nippon Oil & Gas Exploration Corporation. In May 1973, commercial production began in Mubarratz Oil Field. In Feb. 2011, we signed a new Concession Agreement to continue production of oil after the expiry of the former Concession Agreement in Dec. 2012 for a period of 30 years.

United Petroleum Development Co., Ltd., a Japanese exploration & production company established in 1970 is the shareholder of Bunduq Company. Bunduq Company is engaged in crude oil production at offshore E1-Bunduq Oil Field by safe, stable and environment-friendly operations.

The Cosmo Energy Group has been striving to build a trustworthy relationship with Abu Dhabi Government based on the stable operation in Abu Dhabi offshore oil fields over 50 years.

In addition, we have provided Japanese-language programs to Applied Technology high school (ATHS), a local high school in Abu Dhabi, in partnership with the Ritsumeikan Trust since 2011. We have sent three Japanese teachers and sponsored the program.

We will continue to make further efforts to develop this program in the hope that students in the UAE will deepen their understanding of Japanese language and culture, and that they will play an indispensable role in building enhanced relationship between two countries.

Our Group will strive to be a trusted partner of Abu Dhabi.

Cosmo Energy Exploration & Production Co., Ltd.
Cosmo Trade & Service Co., Ltd.
COSMO ENGINEERING CO., LTD.

JX Nippon Oil & Gas Exploration Corporation, upstream arm of JXTG Holdings, has engaged in oil and natural gas exploration and production (E&P) business in 11th countries around the world. We have contributed to development of Abu Dhabi as the shareholder of Abu Dhabi Co., Ltd. (ADOC) and United Petroleum Development Co., Ltd. (UPD) for a half century, furthermore will continue our contribution.

MHPS today ranks among the world's leading suppliers of equipment and services to the power generation market. As a leading global company in the energy field, MHPS remains dedicated to realizing a low-carbon society. MHPS-ME operates in Abu Dhabi, catering to after-market service requirements for all type of heavy duty gas turbine, steam turbine, turbo generators and other oil & gas equipment's.

Enriching lives and the world

Sumitomo Corporation engages in multifaceted business activities by making the most of its Integrated Corporate Strength with its global network in various industries. These business activities in UAE include Power and Water Production, District Cooling, Oil & Gas Pipes, Sumitomo Tires, and others, through which we contribute to the sustainable growth of UAE society.

Mitsubishi Corporation (MC) is a global integrated business enterprise that develops and operates businesses across virtually every industry together with its offices and subsidiaries in approximately 90 countries and regions worldwide. By pooling its collective capabilities, the MC Group strives to fulfill societal needs and meet stakeholder expectations by simultaneously generating economic, societal and environment value.

Mitsui & Co., Ltd. was established in 1947 and has been pursuing a wide variety of business worldwide. We have been engaged in the LNG business in Abu Dhabi since the establishment of Abu Dhabi Gas Liquefaction Co., Ltd. in 1973. We will continue to contribute to the UAE not only in the oil & gas field but in the non-resource areas such as education as well.

Marubeni Corporation is a leading Japanese diversified trading and investment conglomerate with a history of more than 160 years since its founding. Marubeni has 4 business groups with 14 divisions, almost 40,000 employees within its group and a global network of 120 corporate offices in 68 countries.
